Due to severe winter weather impacts in the Commonwealth, the Governor has issued an Executive Orders seeking relief for movement of essential supplies to support emergency activities.

As a result, the Virginia Department of Transportation and the Virginia Department of Motor Vehicles jointly authorize a temporary waiver of registration and license requirements, along with normal weight and width restrictions, for the purpose of ensuring that essential emergency relief supplies reach the disaster area in a timely manner. This waiver is effective beginning 12 pm February 11, 2010 until 12 pm March 11, 2010.

It pertains only to statewide shippers and carriers of essential emergency relief supplies, restoration of utilities (electricity, gas, phone, water, wastewater and cable) and essential services delivery (e.g. food delivery, debris collection, feed for livestock and poultry) being delivered within the Commonwealth of Virginia and is subject to the weight restrictions below:
